

Our local environment and the economy

Why nature needs to be taken into account in planning and economic decisions

Friday 28 September 2018, 12:45 – 17:30

at Centre for Mathematical Sciences, Cambridge CB3 0WA

12:45 Lunch

13:30 Introductory talks – chaired by **Dr Tom Maddox** (Cambridge Conservation Initiative)

The economic case – **Dr Bhaskar Vira** (Cambridge Conservation Research Institute and University Department of Geography)

National government thinking – **Rebecca Waite** (DeFRA)

Will there be enough water? – **Peter Greenaway** (Cambridge Water Company)

Assessing natural capital in the Anglia region – **Chris Gerrard** (Anglian Water)

The environment matters – **Ros Aveling** (Fauna & Flora International and Cambridge Past, Present and Future)

14:45 Breakout groups

What have the speakers left out?

How do we convince people of the importance of the environment?

What are the most important things to do to achieve action?

16:00 Tea/coffee

16:30 Feedback and next steps – led by **Cllr Pippa Heylings** (South Cambs DC) with

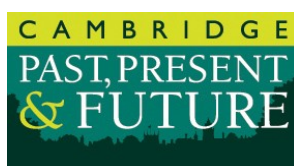

Cllr Ian Bates (Cambridgeshire County Council)

Katie Bolt (RSPB and Cambridge Conservation Initiative)

Adrian Cannard (Cambridgeshire & Peterborough Combined Authority)

17:30 end

Click on the speakers' names to see the slides and [here](#) for the report on the workshop. A letter to Cambridge Independent is [here](#).
