

Julie Farrow

Chief Executive Officer

Getting People to Work Together

Why work together?

- You will make better decisions, because you listened to what others said was important.
 - You will understand all sides of a problem much better.
 - People will trust you
 - People will support what you do and try to help you reach your goals.
- 
- The bottom right corner of the slide features several decorative concentric circles, resembling ripples in water, rendered in a lighter blue shade than the background.
